PRESIDENT'S MESSAGE

Currently (early August) we are seeing a week of (relatively) cool temperatures. It's a nice reminder that fall is around the corner. If fall is imminent, then winter can't be far behind. No need to break out the winter coat just yet, but it is time to sign up for a ski trip. We have thirteen western/international trips this year and three weeks before Labor Day, 58% of the available spaces have been sold. Online registration is the easiest way to reserve your spot; go to www.scwdc.org.

We are looking for good volunteers to help the club. We always need volunteers to help plan and host events. If you want to host an event that is already scheduled, or suggest a new event, contact the program chair of your favorite activity to get involved. We can use a variety of other skills as well. If you have an interest in writing, photography, videography, marketing, web design, data analysis, or data entry, Ski Club can benefit from your expertise. If you have an interest in social media including Facebook, YouTube, Pinterest, Meetup, Instagram, and twitter, we could use your help. If you don't know where to start, send me an email at chris.klocek@gmail.com. If you enjoy Ski Club events, please consider volunteering to help make these opportunities available to others as well.

We are looking for a volunteer to fill a vacant Board of Directors slot. Susan Jacobson recently stepped down from her position. In only a short time, she contributed valuable ideas and new insights. She is taking some time to deal with a health issue. Please join me in wishing her well. If you would like to join the Board of Directors, or if you know someone who might be a good candidate, please contact me or any Board member. I can be reached at chris.klocek@gmail.com.

There is every reason to be optimistic about SCWDC. Sales are strong for our western and international ski trips. We'll have plenty of opportunities to ski closer to home with day and weekend ski excursions, and this year we have two New England trips. Our bike-and-barge, Viking river cruises, and Club Med trips continue to be popular, and for good reason. Sailors are having a great season and the sailing weather only gets better in the fall. Indoor tennis will be starting soon, so plan on joining us for some social doubles at Fairfax Racquet Club this fall and winter.

Ski Fest is September 23! See you there.

The "Heart of Europe" is a good description of the destination for our next Bike & Barge adventure. The region formerly known as "Bohemia" evokes exotic culture, customs, and history; not just for its resplendent cities, but also for its villages and country-side. Our starting and ending point is the city of Prague, one of the few large cities whose buildings, monuments, and culture were spared from the devastation that WWII brought to the rest of civilized Europe. We will have ample opportunity to visit this major capital of Eastern Europe, but also the villages and hamlets that dot the course of the two principal rivers in our journey: the Vltava (also known as the Moldova or Die Moldau in German) and the Elbe; all close and personal on bikes or on foot.

This promises to be one of the most rewarding trips we have offered, and will fill-up very quickly, so if you are even remotely interested, please contact the trip leader immediately to reserve a spot.

SAILING

Fall days are shorter and cooler, but sailing conditions are usually great! We'll continue to sail on the Potomac every Tuesday afternoon/evening and every other Saturday morning through October. And there's one more sail on the Chesapeake Bay in September, plus a special Constellation Cup Sailing Regatta also with our regular Chesapeake Skipper, Captain Larry aboard the Caribbean Magic in October. Join us for a Potomac or Bay sail before the weather gets too cold. There's a qualified skipper on each boat so you can sail whether you have experience or not, so come have fun!

Potomac Sails

We sail on the Potomac every Tuesday afternoon/evening; sails begin earlier as the days get shorter. We also sail every other Saturday morning from 10 a.m. to noon. Potomac sails leave from Belle Haven Marina (www.saildc.com). Belle Haven is located on the George Washington Parkway just south of the Wilson Bridge. [Note: This is NOT the marina next to National Airport.] Turn off the Parkway at the Belle Haven Marina sign and follow the road until you see the boats and water, then park. The group meets outdoors, at or near the picnic tables by the marina's office trailer.

No experience is necessary. We sail very stable, 19' Flying Scots, each of which has an experienced skipper and often experienced crew. You can go along for the ride or enhance your sailing instruction by participating in boat handling. Our skippers are also excellent teachers and will provide guidance to all interested in learning. After the sails, all hungry sailors adjourn to a local Greek/American restaurant, Primo's, where we enjoy lunch or dinner usually in the back room (separate cost).

Dress is casual and based on the temperature. Layering is suggested since it's often cooler on the water than on land. And occasionally you may get splashed so it's a good idea to have dry clothes in your car, just in case. There is a restroom if you need to change clothes after work. Sun block, water, hats, and croakies to keep your glasses on your head are also recommended.

Reservations are strongly encouraged – and the only way to guarantee a place on a boat. We reserve the number of boats and confirm our skippers based on the number of people who have signed up 3 days in advance. To reserve, call the trip leader listed below, on the web site, or in the Ski-o-Gram; the latter options will have updated information in case there are changes. If you get a machine, leave your name, phone number, number of people in your group, and the date of the sail; please repeat your name and number slowly so we're sure we have it correct. Unless you hear otherwise, you have a reservation for that date. Plan to be at the marina at least 15 minutes before the sailing time. The marina is very busy on Saturday mornings and you may have to walk from a distant parking lot so allow sufficient time. The trip leader will collect money, assign people to boats, and get everyone on the water. Exact change, or checks made payable to Belle Haven Marina, are appreciated.

If you can't make it at the last minute, please call the trip leader, leaving a message if necessary. That way we can give your space to someone on the wait list. If you have a last-minute chance to sail, call the trip leader or come by to see if there's room. We can't guarantee it, but we'll try to accommodate you if possible.

If the weather is questionable, call the marina at 703-768-0018 an hour before the scheduled sailing time to see if they're allowing boats to go out. The wind can be very different on the river from other areas, so don't assume there's too much or too little wind to sail. Sometimes we can't decide about the weather until we get to the marina. If you come and we can't sail, we'll head to Primo's early.

If you have experience as a small-boat sailor and would like to possibly be a skipper, please contact Bernie Joiner at 703-560-2203 or choosri@aol.com to arrange a check-out. He will schedule it during one of our regular sails.

The schedule for the Potomac sails is listed below. Updates on changes in trip leaders, if any, will be on the website and in the Ski-o-Gram.

Chesapeake Bay Sails

We have one more Bay sail with space available. Once again this year, we're sailing with Captain Larry aboard Caribbean Magic, a 44-foot C&C based out of Pasadena, MD. This beautiful boat is fully equipped with a head, icebox, and bimini to provide shade when it's hot. Bring your lunch and sun block and you're ready for a great day. No experience is necessary! Captain Larry will gladly share his extensive knowledge. You can take the helm and help trim the sails, or just sunbathe on the bow if that's your preference. Enjoy taking pictures or peering through the binoculars. And as you sail out of the Patapsco River onto the Chesapeake Bay, you can see the Francis Scott Key Bridge and the buoy marking the location of where Key penned the Star-Spangled Banner.

Wine Tasting

Enjoy wine? We will be conducting a tour of a local winery in late October. This is a great way to hear about and taste some local wine. Details are being worked out, so be sure to read the Ski-O-Gram as the date gets closer.

For more information, contact Lisa Hedrick at lisaah69@gmail.com/550-330-3932.

Oktoberfest at Old Europe

We are planning another Oktoberfest dinner at the Old Europe restaurant in DC. It will be on a Saturday in October. Last year, about 40 of us had a good time in the Rathskeller space, reserved for just the ski club. The buffet dinner had a wide variety of German food, including luscious desserts.

Look for specific details about the time and date in future Ski-o-Grams.

If you have any questions in the meantime, contact Leo Boelhouwer: 703-973-3873/leo.j.boel@gmail.com.

Opera in the Outfield

Opera at a baseball stadium! Yes, that is right. A live telecast from the Kennedy Center production of *Aida*, by Giuseppe Verdi, will be held at Nationals Park on Saturday, September 23, at 7 p.m. Gates will open at 5 p.m. Try to be there early to be sure to get a seat with us. This is a free event, but we ask you to RSVP so we know how many places to try to reserve. We can only reserve ten seats. We will try to go to a nearby restaurant afterward.

Enjoy some culture at this free event in an unusual environment!

Indoor Tennis Parties (Best Deal in Town)

Ski Club Indoor Tennis parties are held almost every Saturday night from October through April. Tennis parties provide competitive social doubles and mixed doubles, where players enjoy good tennis, mingle, and enjoy a light buffet and beverages.

Who is eligible to attend?

Parties are for adults over 21 years of age who are experienced intermediate players (NTRP 2.5 to 4.5 or higher). If you are not sure of your numerical rating, please review the USTA's National Tennis Rating Program (NTRP) guidelines National Tennis Rating Program (to discuss your level, contact Jack Tarr at jtarr5@verizon.net). Attendance is typically a mix of active singles and couples from their late 20's to 60's. Parties average 64 players each week. but some have up to 80 in attendance. Male/female split is close to 50/50 at each party. Newcomers and non-SCWDC members are welcome. Non-players are also welcome, just pay \$10 at the door and you can eat, drink, and socialize.

Where & when are the parties held?

Most tennis parties are held at Fairfax Racquet Club in Virginia. Three parties will be held at Georgetown Prep Tennis Club in Maryland this season. Check-in begins at 6:15 p.m., and scheduled tennis play is from 7 p.m. to 11 p.m. Please allow for traffic delays to ensure arrival on time. If you arrive after 7:30 p.m. you may be replaced by a standby, and will forfeit the entire party cost. You can register for each party in advance, and pay online. SCWDC members pay \$20, non-members pay \$25.
