WHERE HAVE WE BEEN, WHERE ARE WE GOING? SPRING, SUMMER 2020

Members, this space is usually occupied by an article by the current President, who describes the current plans/events and some of the far-off events like adventure & travel trips in the next year.

This article will have both, but it is written by another volunteer.

Here at the first of March, the club is planning these events in the next several months:

- To finish the 2020 ski season: Sometimes, a last-minute cancellation happens and a skier that sees this, takes this spot, great! March Ski Trips: Mammoth, Sun Peaks, Snowbird/Alta. All have had good snow this season. Are you a passionate skier? Take a spot if one opens.

- March Tennis Parties: Space for 80 players at every party in Fairfax, with 5 ability levels to fit in anyone with basic tennis skills. Look up these up on the SCWDC web site. Three more on March 7, 14, and 21. Best deal in town if you are a tennis player, offering up to 2 hours of play, food and drink, and a chance to socialize with other players.

- March Volleyball: it's a bit of a trek to get to Georgetown Jellef's Boys Club, but play is a hoot! See web site for the schedule on Monday nights.

- March Bowling: Friday nights in Falls Church, open spots every week, but don't wait until Friday, sign up Monday through Thursday to be sure of getting in. Email pcampbell@scwdc.org. No skill required. see the web site writeup. It's all for fun, it's a lot of fun.

Plans for April-October:

1) Are you an active or rusty golfer? Looking to have fun over a golf weekend, where **someone else plans the trip, arranges for lodging and meals; all you have to do is show up!** Look now at the SCWDC web site, in the menu area SPORTS AND RECREATION, and navigate to "Golf", which has 4 - count them - 4, weekend golf outings in May, June, August, and October.

2) Wednesday Golf - if you have a flexible schedule and can drive in mid-afternoon to Fairfax County's Jefferson Park along Lee Highway near I-495 and Rt 50, you can join the golf group. You must email the Golf coordinator to get a tee time. This is a very popular event, so take the steps to sign up and get a reservation.

3) Election Meeting! April 2 in Springfield just west of the Springfield Mall at American Legion Post 176. Find the event write up on web site or further on in this issue.

BIG STUFF:

Upcoming Viking trip to Russia in July. Yes, it's filled, but cancellations happen, and you might go on this trip if someone drops out. Contact the leader. It could be you that picks up this trip with a cancellation and maybe a discount.

NEW: Viking Trip to Alaska in June 2021. Complete description posted on web site.

NEW: Club Med in October 2020: A Club Med resort in the Caribbean, TBD. Look for this event on the web site in March with a recent good price including airfare.

SUMMER ACTIVITIES

TRADITIONAL 1: Sailing in the Potomac, Tuesday Nights and alternate Saturday mornings: inexpensive, fun, skippers are experienced.

TRADITIONAL 2: Tuesday Night Tennis, outdoor play at the Wakefield Park just 50 yards off the I-495 exit to Braddock Road, often free depending on possibility of renting courts and paying for a few to assure playing time. Happy Hour afterwards.

It must be submitted in accordance with the following excerpt from the Policy and Procedures. "An absentee ballot may be used for voting only if it is received directly from an official SCWDC source; and it may be reproduced only for members of the same household. Bill Johnston

I am seeking-election as your next SCWDC president. I previously served as president in from April 2007 – April 2009, and since then in many other volunteer roles up through 2020.

I believe someone serving as president should be ready to continue past practices that have been successful but also bring new ideas. My ski experiences: I have been a Western ski trip leader for 12 trips and a participant on 5 ski trips. I am going to work with the Flights Committee to plan the 2021 Western and International season of 12 to 15 trips and with the Eastern Chair to plan trips with Ski School instruction.

For something new, I would like to copy the event of another ski club, holding a "Thank You for Skiing with SCWDC" party for 2020 ski trip takers (Western, International, Eastern, and Ski School instructors) shortly after the end of ski season. This event will bring all ski leaders and many participants together to talk over the good times they had, share photos, and plan their 2021 trips.

On the social side of the club, I support a return of the member picnic in July, usually held on a Sunday in July or August.

I would like to return to the practice of holding "meetings" but experiment with "Theme/Fun/Educational" Get-Togethers on some weekend days - a replacement for week- night monthly meetings which are too difficult to attend for many people due to traffic hassles and other commitments. Possible themes and speakers: exercise instructor for skiing, an orthopedist who might answer questions about hip and knee injuries/treatments, and tips for safe airline travel.

I will continue the work of the past president to simplify club administration and leader participation.

Who am I? In my time as a club member, I went from a happy-go-lucky skier and tennis player to running the entire SCWDC tennis program for five-and- half years, serving as board member for a total of five years and President for two years, Budget

ELECTIONS

and Finance chair for five years, and performing as a web administrator and assistant web administrator for three of the four web sites that SCWDC has used since 1998.

I believe the club needs a mix of traditional activities, plus new ideas and events if we are to survive as a club and meet the needs of members. I ask for your vote.

Rita Togni

I am not a politician and I don't know how to "run" for a position, but I have ideas that I would like to implement.

* I am a Ski club member since the early 1990's

* I volunteered leading many ski trips in the States and Europe, as well as some local hikes.

*I enjoy skiing, hiking, playing tennis; all activities that I have been doing with my family.

The club has evolved from being only a ski club, to include other sports and social events, but we still need to grow; the volunteers work hard to make it successful and I would like to help in this new phase.

*I would like to expand the club "for all seasons" to be the club for "all ages"

*Re-instate hiking

...and more...

My background? I lived in many countries in Europe, South America and the Middle East.

Professionally? I worked as an Architect, as an Interior Designer and currently in Real Estate.

Rene' Thierry

I have been a member since 1987 and I have served on the Board several times because I am concerned about the club's future. That is why I am running again for another two year term.

Frankly our Business Model is not working anymore and we desperately need to change if the club is to be viable in the future. Our model is based on dedicated Volunteers working many unpaid hours running club activities. We have a difficult time getting volunteers now and our club activities have suffered.

As our membership has aged, we no longer have the number of skiers to fill all our ski trip slots. Several trips were cancelled or cut back this year and we sold about 100 less ski spots than we budgeted for.

What must we do? First we need to get all of our members to help recruit new members to the club. If you know a skier, tennis player or sailor recruit them to join SCWDC. We have great activities and your friends will thank you for inviting them to join.

We also need to expand our Membership Recruitment efforts thru Social Media. This includes improving our Website further and using Facebook, Instagram, and Twitter effectively in order to recruit new members and sell our trips.

If you have any skills in this area, we could use Volunteers to help us with this important effort.

I ask for your vote so we can meet our challenges and Keep SCWDC GREAT!

Ruth D'Alessandro

I have been a member of SCWDC for over 35 years. Initially, I participated in tennis parties, the instructional tennis program, weekend trips and weekly tennis at Haines Point. I also played softball. I began skiing 3 years after I joined SCWDC and benefited from many one day and weekend learn to ski trips. Over 30 years, I have attended 3 ski trips a year. Most recently, I have participated in Club Med trips and a Viking Cruise. Several years ago, I became involved in Wednesday evening golf. Through the years I have met many interesting people and have made numerous lifelong friends while enjoying being active.

While working, I did not have time to volunteer but I was the race coordinator on several ski trips when the club participated in the racing program. In recent years, I have assisted trip leaders on ski trips. For the past 3 years, I have led weekend golf trips to Blue Ridge Shadows in Virginia. Recently I

ELECTIONS

led the ski trip to Park City/SFF. In addition, I have hosted several pre-trip parties at my house.

I worked for Fairfax County Public Schools for 32 years as a Social Worker and an Administrator. The organizational, human relations and leadership skills utilized in my career have benefited me as I have become a trip leader.

I have grown and benefited during my years as a member of the ski club and I would like to give back to the organization. I look forward to working with board members to continue to grow our membership and to provide new and exciting opportunities for us. I believe it is important to identify, encourage and provide leadership opportunities for new members.

Mary Kaye Hrivnak

For the past 20 years, the Ski Club has given me the opportunity to meet numerous interesting people, form new and long-lasting relationships, and participate in fun-filled activities including tennis trips, tennis parties, hiking, sailing, and cultural events. I've hosted several tennis parties over the past years and I am currently on the Ski Club Board.

In addition to my Ski Club volunteer experience, I've been very active in The Tennis Group (TTG).

In 2006, I was elected President. As President, it was very important for the TTG board and me to continue to offer events that brought our members together creating fun and camaraderie for all.

We also focused on implementing marketing initiatives to recruit new members. Further, I've co-chaired numerous TTG banquets, hosted TTG tennis parties, and co-coordinated the TTG Team Tennis program for 3 years.

Regarding my professional career, my work experience includes managing retail stores and providing program support for various companies. My leadership, marketing, and organizational skills enabled me to receive numerous awards for leading teams to increase sales, customer base, and customer satisfaction.

I would like to give back to the Ski Club and I would be honored to continue to work with the Ski Club board and members. I hope to use my years of professional and volunteer experience to keep the group moving forward by supporting the club's efforts of fostering new ideas, bringing new members into the group, and continuing to provide activities that will bring fun and camaraderie to all of our members.

Indoor Tennis Parties (Best Deal in Town)

Ski Club Indoor Tennis parties are held almost every Saturday night from October through April. Tennis parties provide competitive social doubles and mixed doubles, where players enjoy good tennis, mingle, and enjoy a light buffet and beverages.

Who is eligible to attend?

Parties are for adults over 21 years of age who are experienced intermediate players (NTRP 2.5 to 4.5 or higher). If you are not sure of your numerical rating, please review the USTA's National Tennis Rating Program (NTRP) guidelines (to discuss your level, contact Jack Tarr (jtarr5@verizon.net)). Attendance is typically a mix of active singles and couples from their late 20's to 60's. Parties average 64 players each week, but some have up to 80 in attendance. Male/female split is close to 50/50 at each party. Newcomers and non-SCWDC members are welcome. Non-players are also welcome, just pay \$10 on-line or \$15 at the door and you can eat, drink, and socialize.

Where & when are the parties held?

Most tennis parties are held at the Fairfax Racquet Club in Virginia. Three parties are held at Georgetown Prep Tennis Club in Maryland. Check-in begins at 6:15 p.m., and scheduled tennis play is from 7 p.m. to 11 p.m. Please allow for traffic delays to ensure arrival on time. If you arrive after 7:30 p.m., you may be replaced by a standby, and will forfeit the entire party cost. You can register for each party in advance and pay online. SCWDC members pay \$20, non-members pay \$25.
