PRESIDENT'S MESSAGE

At the April 6 meeting, SCWDC recognized a few outstanding volunteers with well-deserved awards. Patty Hagan was awarded an Honorary Lifetime Membership for her service as Sailing Program Chair. Mike Cavallaro won the Toni Castagnolo Award for 25 years of service as SCWDC Ski School Director. Susan St. George received a Gold Award. Silver Awards were given to Pat Greason, Tammy Vetter, Jayne Lynch, and Rita Togni. Certificates of Appreciation were given to

Paul Bilowus, Colleen Bilowus, Carol Falvo, and Rich van Metter. Thank you to all the SCWDC members who volunteer throughout the year. Jerry and Jo Leonard, who perform the layout and oversee the printing of our magazine, received the Distinguished Service Award. This award is for service to the club by an outside organization for a period of more than ten years.

Thank you to Peter Hartogensis for his dedicated work as President during the past two years. His work — often on not-so-glamorous topics like making sure that club has adequate insurance — leaves the club on solid footing for the future. Thank you also to outgoing Board members Mike Favole and Carole Finley for their exemplary service to the club.

During the 2017 ski season, 383 skiers and snowboarders travelled with SCWDC on western and international trips to enjoy outstanding snow conditions. Special thanks to Western / International Committee Chair Sue Miller and committee members Brian Camp, Ken Eng, Joe Gilbert, and Gary Rubens who work year-round to make our ski trips successful. Thank you also to the trip leaders for their work to get our members to the slopes. Planning for the 2018 ski season is well underway; look for trips to be announced in early summer!

The local ski season was a little warmer than we may have liked, but we had good snow conditions on trips to Canaan Valley, Snowshoe, and Liberty. For next year, we will hope that cold temperatures stick around a little longer.

While we look forward to the 2018 ski season, there are plenty of activities to get us through the Washington summer. Potomac sailing begins in May with sails every Tuesday evening and every other Saturday morning. You can learn to sail at the Basic Centerboard Class starting on May 8. There are Nationals games, outdoor tennis, volleyball, biking, hiking, golf, softball, bowling, and more. Check the website for all the details.

Welcome to the new members of the Board of Directors: Susan Jacobson, Donna Harris, and Rene Thierry were elected at the April 6 meeting. Welcome back to re-elected Board members Leo Boelhouwer and Charlie Lorenzetti. Megan O'Connor, Mary Kaye Hrivnak, and David Toms are the remaining Board members, now in the second year of their terms. I look forward to working with them all of them during the upcoming year.

SCWDC has provided great skiing opportunities for 81 years, and now we are a club that offers much more than skiing. Because of the strong tradition that we have built, I am optimistic about our future. For many years to come, SCWDC will continue to arrange outstanding ski and snowboard trips, tennis, sailing, travel, and more. I can be reached at chris.klocek@gmail.com. Please send me your suggestions to help SCWDC improve.

SAILING

It's finally sailing season – yeah! While we had hints of spring in the winter, the chilly weather just didn't seem to want to leave. It's finally May and sails begin on the Potomac River on May 2 and will continue through October 31. If you've never sailed before, that's no problem; we'll teach you through formal lessons at various levels and informal instruction while sailing!

Sailing Lessons

Sailing lessons from novice to expert will be offered by our talented, American-Sailing-Association (ASA)-certified, SCWDC sailing instructors. Our instructors adhere to the SCWDC tradition of having fun while learning. Space is limited so sign up early! We need a minimum of 4 students for each class so please sign up soon if you're interested.

For beginners, or those who want to brush up on their skills, we offer a **Basic Centerboard Class** on 19' Flying Scots out of Belle Haven Marina on the Potomac River in Alexandria. It is designed primarily for people who have sailed a few times and want to learn more, understand the basics of sailing, or be confident to sail on their own. Through six classes, including four on the water, you will learn how to steer and handle the boat, jibe, tack, adjust the sails for changing winds, dock, and perform man-overboard drills. You also will learn nautical language, knots, and parts of the boat. Graduates will qualify and feel confident to take out centerboard boats in sheltered water. Those who have taken our class before are welcome to attend the classroom sessions at no cost. Students who successfully complete the course and test will receive the American Sailing Association certification.

Dates: Ground classes: May 8 and May 15, from 7:15 p.m. to 9:15 p.m. at 2300 Malraux Drive, Vienna, VA 22182 (transportation will be provided from the Dunn Loring Metro upon request)

On-the-water classes: May 13, 14, 20, and 21 from 9 a.m. to noon at Belle Haven Marina. Back-up dates for bad weather or lack of wind are May 27 and 28.

Cost: \$140 members, \$155 guests, (includes text book, exam, instruction, and boat rental)

Leader: Send checks, payable to SCWDC, to David Hastie, 8418 Blakiston Lane, Alexandria, VA, 22308.

David can be reached at 703-799-4967 or TapioiV@gmail.com.

We are also offering a **Keelboat Class** this summer on the Chesapeake Bay. This class is designed for those who have taken the centerboard class or who feel comfortable taking a centerboard boat out and want to move up to a heavier boat and sail in more challenging conditions. Students who successfully complete the course and test will receive ASA certification. Contact the trip leader to let him know you're interested.

Dates: Ground class: May 30 from 7:15 p.m. to 9:15 p.m. at 2300 Malraux Drive, Vienna, VA 22182 (transportation will be provided from the Dunn Loring Metro upon request)

On-the water classes: June 4 and June 5 from 10 a.m. to 4 p.m. on the Chesapeake Bay, Deale, Maryland. (In the event of bad weather, alternate dates for offshore classes are June 10 and June 11.) Directions to the marina in Deale, MD and a list of necessary provisions/gear to bring will be provided upon registration.

Cost: \$ 330.00 (member) \$ 370.00 (non-member) Includes: Book and study materials, ground class, two days of on the water classes, and the American Sailing Association Certification.

Leader: Scott Hudson, 704-907-0910 (cell), or mrhudson@aol.com, 1454 Park Garden Lane, Reston, VA 20194

For those ready to take a small cruising boat out on the Chesapeake Bay for an overnight sail, we will also offer the **Basic Coastal Cruising Course**. The objective of this third-level class is to make the student ready to cruise in local and regional waters. It is taught on the Chesapeake Bay in boats about 30 feet long. Subjects taught are maneuvering in and out of a marina, boat preparation and inspection, safety, weather analysis, anchoring, and emergency procedures. The students will improve on previously-learned skills to feel comfortable chartering. Students who successfully complete the course may take the ASA test for certification. Contact the trip leader to let him know you're interested.

Dates: Dates will be arranged based on students' availability.

Cost: TBD (includes text book, exam, instruction, and boat rental). Approximately \$300-350.

Leader: Pete Stogis, 301-680-0864 or pedsto@compuserve.com

Potomac Sails

We sail on the Potomac every Tuesday evening from 6 – 8 p.m. (earlier beginning in late August) and every other Saturday morning from 10 a.m. to noon from Belle Haven Marina (www.saildc.com). Belle Haven is located on the George Washington Parkway just south of the Wilson Bridge. [Note: This is NOT the marina next to National Airport.] Turn off the Parkway at the Belle Haven Marina sign and follow the road until you see the boats and water, then park. The group meets outdoors, at or near the picnic tables by the marina's office trailer. Sails begin on Tuesday, May 2.

No experience is necessary. We sail very stable, 19' Flying Scots, each of which has an experienced skipper and often experienced crew. You can go along for the ride or enhance your sailing instruction by participating in boat handling. Our skippers are also excellent teachers and will provide guidance to all interested in learning. After the sails, all hungry sailors adjourn to a local Greek/American restaurant, Primo's, where we enjoy lunch or dinner in the back room (separate cost).

Dress is casual and based on the temperature. Layering is suggested since it's often cooler on the water than on land. Occasionally you may get splashed, and the water in the spring can be cool. There is a restroom if you need to change clothes after work. Sun block, water, hats, and croakies to keep your glasses on your head are also recommended.

Reservations are strongly encouraged – and the only way to guarantee a place on a boat. We reserve the number of boats and confirm our skippers based on the number of people who have signed up 3 days in advance. To reserve, call the trip leader listed below, on the web site, or in the Ski-o-Gram; the latter options will have updated information in case there are changes. If you get a machine, leave your name, phone number, number of people in your group, and the date of the sail; please repeat your name and number slowly so we're sure we have it correct. Unless you hear otherwise, you have a reservation for that date. Plan to be at the marina at least 15 minutes before the sailing time. The marina is very busy on Saturday mornings and you may have to walk from a distant parking lot so allow sufficient time. The trip leader will collect money, assign people to boats, and get everyone on the water. Exact change, or checks made payable to Belle Haven Marina, are appreciated.

If you can't make it at the last minute, please call the trip leader, leaving a message if necessary. That way we can check our messages if you don't show up and give your space to someone who did. If you have a last-minute chance to sail, call the trip leader or come by to see if there's room. We can't guarantee it, but we'll try to accommodate you if possible.

If the weather is questionable, call the marina at 703-768-0018 an hour before the scheduled sailing time to see if they're allowing boats to go out. The wind can be very different on the river from other areas, so don't assume there's too much or too little wind to sail. Sometimes we can't decide on the weather until we get to the marina. If you come and we can't sail, we'll head to Primo's early.

If you have experience as a small boat sailor and would like to possibly be a skipper, please contact Bernie Joiner at 703-560-2203 or choosri@aol.com to arrange a check-out. He will schedule it during one of our regular sails. The schedule for the Potomac sails is listed below. Updates on trip leader changes, if any, will be in future magazines, on the website, and in the Ski-o-Gram.

Chesapeake Bay Sails

We have several Bay sails planned again this year with Captain Larry aboard *Caribbean Magic*, a 44 foot C&C based out of Pasadena, MD. The boat is fully equipped with a head, icebox, and bimini to provide shade when it's hot. Bring your lunch and sun block and you're ready for a great day, or some snacks for the evening sails. No experience is necessary! Captain Larry will gladly share his extensive knowledge. You can take the helm and help trim the sails, or just sunbathe on the bow if that's your preference. Enjoy taking pictures or peering through the binoculars to see the beautiful osprey diving with their sharp talons to grab a fish to take back to the nest to quiet the peeping chicks. And as you sail out of the Patapsco River onto the Chesapeake Bay, you can see the Francis Scott Key Bridge and the buoy marking the location of where Key penned the Star-Spangled Banner. After a great day of sailing, the fun continues with dinner at a local restaurant (separate cost).

SOCIAL

Your Social Committee is planning several events this year to give all club members a chance to have fun and socialize. Below are the details for the Doce de Mayo party in May. We are finalizing the details for the Summer Party on July 16. We are also planning a Crab Feast in September; and possibly a Halloween party in October. These are always fun, and we provide food, music, beer and wine, all for one low admission price.

However, to continue these events, we need volunteers, both to lead and to help. Without more volunteers we will not be able to continue these events. Volunteering does not necessarily take a lot of time. Much of the planning has already been done. We need volunteers to be responsible for food, drink, music, as well as help with these efforts. If you want to see your club to continue to have these events, please offer to volunteer by calling Bernie Joiner at 703-560-2203, or email at choosri@aol.com. Let's party on!
