## PRESIDENT'S MESSAGE

Summer is now over, and Autumn has arrived. As usual, September has been a busy month.

Our second annual ***"Back to the Slopes Party"*** was a fantastic success, with 130 advance registrants, and another dozen or so who registered at the door. We also had 13 great ski exhibitors who showcased their products and services, and who donated some nice prizes for our raffle. Carol Finley was the lucky

winner of our Grand Prize, a Club Med Getaway vacation! The weather was great, and everyone had a good time.

A week later our Board of Directors hosted our annual ***Volunteer Party*** at the Fairlington Villages Community Center in Arlington, VA. We host this event to honor our hard-working volunteers and leaders who make the Club's many events possible, and who work behind the scenes to keep the Club's affairs in order. As our members have gotten older, fewer seem to be willing to volunteer, so that means more work must be done by fewer people. As a result, we are now planning fewer events that require extensive volunteer effort. This makes us appreciate our volunteers even more! So, if YOU are willing to volunteer in some capacity, please contact me, any of our Board members, or any of our Program Chairs. We will find a way to put you to work!

Early sales of our 2020 ski flight trips have done very well, with about 65% of our trips sold. However, recent registrations have slowed considerably, and we have had to cancel one trip already. There is still plenty of time to find the ski trip of your dreams, but don't wait too much longer. SIGN UP NOW!

Our non-skiing events are also doing very well. In October, 36 lucky sun-lovers will travel to Club Med Turquoise in the Turks & Caicos islands, and a group of 20 will go on a Viking River Cruise to Provence, France. Our 2020 Viking River Cruise to Russia is already almost sold out, as well as a new Sailing Regatta to the British Virgin Islands

## SCWDC PRESENTS: SKI WHITEFACE, LAKE PLACID, NY FEB. 23-28

**Base Price: \$1,190 (includes 5-day lift ticket)**

**Trip Leader:** [MARGARET SCHWARTZ](#)

### **Resort:**

What if you discovered a ski resort with the greatest vertical of any lift-serviced mountain in the Northeast, with mile after mile of impeccably groomed cruising trails, 98% snowmaking coverage, a 5-star ski and snowboard school and diverse, amenity-rich ski towns surrounding it? SCWDC will be visiting Whiteface Mountain again this year, staying nearby in the Olympic town of Lake Placid, NY. We're flying into Burlington, Vermont, then will take a picturesque two-hour bus ride thru Vermont and upstate New York.

### **Mountain:**

Whiteface offers more of everything: 3,430 feet of vertical, greatest in the East and more than most Western ski resorts! Whiteface has more inspiring expert terrain, longer, rolling groomers, including the longest single intermediate run in the Northeast, the 2.1-mile long Wilmington Trail. Whiteface offers 87 trails on 22 miles of skiing or riding. The trails are 20% beginner, 42% intermediate, and 38% expert. Whiteface offers more learning, more adventure, more fun, more off-mountain attractions you can't find anywhere else, such as bobsledding down an Olympic track or groomed Nordic skiing or strolling through the lakeside Olympic village.

### **Lodging:**

Overlooking Mirror Lake in Lake Placid, and at the very heart of the shopping, dining, and entertainment district on Main Street, SCWDC will be staying at the High Peaks Resort. All rooms have a private balcony or patio with lake or mountain views. park  city  
UTAH, U.S.A.

**TRIP PRICE: \$1,630\* SKI NEARLY EMPTY SLOPES BY DAY, SEE MOVIES AT NIGHT**

**TRIP LEADER: [LISA KILDAY](#)**

Join us on this very popular ski destination. We are repeating a visit this year during the Sundance Film Festival, when the slopes are exceptionally empty! Enjoy the same skiing experience on all three venues at a much lower price: Park City, Deer Valley, and Sundance Ski Resort.

Park City Mountain is now owned by Vail and is connected to Canyons by a new gondola. Vail has a long-term lease at the Canyons. The combined areas make it the largest U.S. ski resort with over 7,300 skiable acres, 300+ trails, 38 lifts, seven terrain parks, 14 bowls, six natural half-pipes, a super half-pipe and a mini-half pipe. There is a base area at both Park City and Canyons with restaurants, ski shops, rental shops, etc. There is a free bus service to both base areas of Park City Mountain as well as Deer Valley. Park City honors the EPIC ski pass, while Deer Valley honors 5 days of skiing w/ the IKON ski pass.

[Park City Mountain Resort](#) offers something for everyone with extended glade terrain, upgraded on-mountain restaurants, expanded beginner terrain, and a ski-and-snowboard park. Enjoy the deep powder bowls, long groomed runs, gentle beginner slopes, steep chutes, and three world-class terrain parks. Utah's largest area with 16 lifts (seven are high-speed), boasts 3,500 skiable acres with 106 trails and eight peaks. You'll relish groomed boulevards, glade steeps, and undulating meadows. The area offers Vail-scale terrain, plenty of off-slope diversions, and few crowds, but little of the Vail glitz.

[Deer Valley](#) offers luxurious amenities such as ski valets, groomed-to-perfection slopes (sorry, no snowboarders allowed), and gourmet dining in three elegant day lodges.

[Sundance Ski Resort](#), created by Robert Redford, offers skiing and snowboarding (2,150' vertical, 450+ acres), cross-country skiing and snowshoeing ([miles of daily groomed trails, both classic and skating](#)), ski and snowboard school, Winter Zipline (Utah's longest, 2,100' drop), Sundance Film Festival movies, fine dining, Art Studio, and more.

## Lodging:

Surrounded by 8,000 foot mountains, the 4 diamond/4 star full service Zermatt Resort is located just 11 minutes' drive from Deer Valley and 18 minutes to Park City, accessible by their complimentary hotel ski shuttle. With over 300 Swiss-inspired guest rooms and condos, amenities include a full service spa, indoor-outdoor pool, hot tubs, 2 restaurants, bars and award winning Swiss bakery. In the evenings, take the free hotel shuttle to the historic villages of Midway or Heber where you will find wonderful, quirky little shops and reasonably priced local restaurants. Comfortable hotel rooms with

## LEDO

(Let's Eat Dinner Out)

LEDO (Let's Eat Dinner Out) has been back in operation for almost 2 years. Julie Carr is the leader, but she invites anyone with an interest in cuisine and dining with others, to lead any dinner and/or give names of restaurants that the group may find appealing.

In the past 2 years, we have gone to restaurants specializing in the following cuisines:

Chinese, Italian, Continental/European, American, Korean, Greek, Afghan, and Lebanese to name a few. Julie tries to choose restaurants that are centrally located, either in Arlington, Falls Church, or Alexandria, and occasionally in Washington DC that have free, ample parking and have reasonably priced entrees and appetizers. Please look for announcements of the next LEDO in your SkiGram which comes every week from the ski club office. LEDO will resume in September or October 2019. Call or email Julie if you have any questions, 703-888-7448/[schweiz1976@hotmail.com](mailto:schweiz1976@hotmail.com). We hope to see you soon. –Julie Carr

It is written in Latin and Middle High German. The subjects range from the fickleness of fortune (O Fortuna) and wealth to the ephemeral nature of life, the joy of the advent of spring, and the perils of gluttony, gambling, drinking, and lust!

This work will be performed by the NVCC Annandale Orchestra along with the Northern Virginia Chorale and the New Dominion Chorale (200+ musicians). Schlesinger Concert Hall is known to have near-perfect acoustics. Also included in the program are works by Giuseppe Verdi, Alexander Borodin, and Camille Saint-Saens.

## Indoor Tennis Parties (Best Deal in Town)

Ski Club Indoor Tennis parties are held almost every Saturday night from October through April. Tennis parties provide competitive social doubles and mixed doubles, where players enjoy good tennis, mingle, and enjoy a light buffet and beverages.

### Who is eligible to attend?

Parties are for adults over 21 years of age who are experienced intermediate players (NTRP 2.5 to 4.5 or higher). If you are not sure of your numerical rating, please review the USTA's National Tennis Rating Program (NTRP) guidelines (to discuss your level, contact Jack Tarr (jtarr5@verizon.net)). Attendance is typically a mix of active singles and couples from their late 20's to 60's. Parties average 64 players each week, but some have up to 80 in attendance. Male/female split is close to 50/50 at each party. Newcomers and non-SCWDC members are welcome. Non-players are also welcome, just pay \$10 on-line or \$15 at the door and you can eat, drink, and socialize.

### Where & when are the parties held?

Most tennis parties are held at the Fairfax Racquet Club in Virginia. Three parties are held at Georgetown Prep Tennis Club in Maryland. Check-in begins at 6:15 p.m., and scheduled tennis play is from 7 p.m. to 11 p.m. Please allow for traffic delays to ensure arrival on time. If you arrive after 7:30 p.m., you may be replaced by a standby, and will forfeit the entire party cost. You can register for each party in advance and pay online. SCWDC members pay \$20, non-members pay \$25.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Ski Club of Washington, D.C.  
Arlington, VA 22207

We have audited the accompanying financial statements of Ski Club of Washington, D.C. (a nonprofit organization), which comprise the statements of financial position as of April 30, 2018 and 2017, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ski Club of Washington, D.C. as of April 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Supplementary Information - Comparison of Budget to Actual on page 9 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## SKI CLUB OF WASHINGTON, D.C.

### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 - Organization and Summary of Accounting Policies

The Ski Club of Washington, D.C. ("the Club") is a non-profit organization established for the social and recreational benefit of its members. The organization was started in 1936 and recognized by the IRS as a tax exempt organization in 1963. Its primary sources of funds are from membership dues and activity fees collected from the participating members. The Club conducts over 150 ski, recreation or social events and activities for its members each year.

The following is a summary of significant accounting policies followed in the preparation of these financial statements:

a) Basis of Accounting - The Club prepares its financial statements in accordance with generally accepted accounting principles, which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

b) Basis of Presentation - The Club is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Club has no temporarily restricted or permanently restricted net assets.

c) Support and Expenses - Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily restricted or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

d) Statement of Cash Flows - The Club considers substantially all highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents.

e) Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

f) Concentration of Credit Risk - The Club occasionally maintains deposits in excess of federally insured limits. These items are identified as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by maintaining all deposits in high quality financial institutions. The Club has not experienced any losses on its cash accounts.

### NOTES TO FINANCIAL STATEMENTS (Continued)

#### NOTE 1 – Organization and Summary of Accounting Policies (continued)

g) **Income Taxes** – The Club is a nonprofit organization exempt from income taxes under Section 501(c)(7) of the Internal Revenue Code on all income other than unrelated business income. The Club has been classified as an organization that is not a private foundation. Unrelated business income, from non-members, advertising and interest income, for the years ended April 30, 2018 and 2017 totaled \$1,528 and \$710 respectively. Federal and state income tax expense for the years ended April 30, 2018 and 2017 was \$4 and \$8, respectively.

h) **Uncertain Tax Positions** – As of April 30, 2018, the Club had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The tax years subject to examination by the taxing authorities are the years ended April 30, 2015 through 2017.

i) **Accounts Receivable** – Accounts receivable are reported net of an allowance for uncollectible accounts. The allowance for uncollectible receivables is provided based on management's evaluation of uncollectible accounts at year end. The accounts receivable balance on the statement of financial position consists of receivables from members for activities completed during the fiscal year and a tour company. The allowance for doubtful accounts as of April 30, 2018 and 2017 were \$-0- and \$-0-, respectively. Bad debt expense for the years ended April 30, 2018 and 2017 were \$-0- and \$5,750, respectively.

j) **Property and Equipment** – Purchased property and equipment are recorded at cost for any item in excess of \$500. Contributed property and equipment is recorded at its fair market value on the date of contribution. Expenditures for maintenance and repairs are charged against income as incurred; betterments, which increase the value or materially extend the life of the related assets, are capitalized.

Depreciation and amortization expense is computed using the straight-line method over the estimated useful lives of the respective assets. Depreciation expense for the years ended April 30, 2018 and 2017 were \$1,624 and \$4,462, respectively. The estimated useful lives are:

Furniture and Equipment	3 to 10 years
Building	35 years

k) **Advertising Cost** – Advertising costs are expensed when incurred. Advertising expense for the years ended April 30, 2018 and 2017 were \$-0- and \$-0-, respectively.

#### NOTE 2 – Donated Services and Materials

A number of unpaid volunteers have made contributions of their time in conjunction with the activities the Club conducts. The value of these contributions is not included in these financial statements, since they do not require specialized skills and are not susceptible to objective measurement.
